Key of A

TAKE ME TO THAT ANCIENT HILL

"Carrying his own cross, he went out to the place of the Skull (which in Aramaic is called Golgotha). There they crucified him, and with him two others – one on each side and Jesus in the middle."

John 19:17-18

VERSE 1

```
            A         E/G#    A
Take me to that ancient hill
                  F#m       E          D
For towering waves of guilt en-gulf
                   A           E/G#   A
But there your steadfast mercy still
            D         E              A
Is certain as your wounds of love
```

VERSE 2

Take me to that sacred tree
For weary loads of shame oppress
But there you bore it all for me
And gave me life and joy and rest

CHORUS

```
D          E   F#m      A/C#
There   I   stand in awe
           D      E/G#   F#m   A/C#
At your love   for       me
D      E    F#m     A/C#
Give my life and all
          D          E        |A / / E/G# | A          |
At the cross of Cal-va-ry
```

VERSE 3

Take me to that splintered wood
For still the Tempter leads astray
But there my wounded victor stood
And crushed the serpent's head that day

There I stand in awe...

VERSE 4

Take me to that ancient hill
And stay there all my earthly days
Rejoicing in your love until
I join with heaven's eternal praise

There I stand in awe...
